Contributed by: The SafeSpace fundraising committee lead by local event coordinators Alicia Rodrigues & Karen Faulk on 9/26/2006

**What:**

SafeSpace, Inc. is excited and proud to partner with Pointe West in providing the community with great music, food and fun during the "JazzFest at Pointe West", 3rd annual Love In to benefit SafeSpace on Saturday, October, 21st from 3:30 P.M. to 6:30 P.M. In honor of Domestic Violence Awareness Month, this event is not only designed to raise much needed funds for the organization, but to raise community awareness as well. SafeSpace, Inc. provides services to victims of domestic violence and their children. It is their mission that every relationship be violence free.

The JazzFest event will be hosted by former "Morning Mayor of New York", and Rock and Roll Hall of Fame singer/DJ, Herb Oscar Anderson. International recording artist Michele Anastasio will be performing along with the local trio, "Flamenco Jazz Fusion" featuring Mack Meadows, Rick Wheeler and son Ricky Wheeler. In addition to great food and refreshments, a silent auction will be held during the event. The "JazzFest at Pointe West", will kick off the Season Premier of the award-winning outdoor movie event series, "Screen on the Green" hosted by Pointe West and the Indian River County Recreation Department. "Screen on the Green" features family friendly cartoons beginning at 7:00 P.M., followed by the feature presentation of "E.T." at 8:00 P.M. The public is invited to bring their blankets and chairs out to Heritage Park at Pointe West to enjoy an afternoon of music and stay for an evening of movie watching under the stars. It promises to be a full day of family fun and entertainment for all ages. Admission to both events is absolutely free!
